“Can we get those blues from Memphis?” “Easy! Just turn the dials to 64, Mary, and we’ll have ’em right away.”

You never imagined that radio could be so sure—so simple to use. Just think! Once you’ve tuned in a station with WorkRite Super Neutrodyne Receivers, you can turn to it instantly, at any time, simply by referring to your “log.”

Select what you want to hear from the daily programs—and know in advance that WorkRite will get it for you—clear as a bell, with no loss of quality, richness or brilliance, and free from distracting howls or whistles.

WorkRite brings in distant stations—not just once in awhile—but regularly and distinctly on the loud speaker. Under favorable conditions, it will bring in broadcasting from across the continent.

Amazing Selectivity

There’s another great WorkRite advantage that you’ll appreciate. It’s this. No matter how powerful your local stations may be, you can easily tune them out and bring in other stations using practically the same wave length.

The first time you operate one of these beautiful, companionable sets, you’ll think it’s almost magical. But, there’s really no secret to WorkRite’s remarkable range

and selectivity. They are due largely to two things: First—WorkRite’s ingenious Super Neutrodyne “hook-up.” Second—the way WorkRite is built—the fine materials that go into every set—the intimate, careful attention given to every detail of manufacture.

Already Tremendously Successful

WorkRite has already won a host of enthusiastic friends. Dealers in many cities find themselves pressed to meet the demand for WorkRite. So, if the store you visit is unable to demonstrate WorkRite for you, write us and we will send you the name of a store that can. Or, if you want to know more about WorkRite sets before you see them, mail coupon below and we’ll send a beautiful illustrated rotogravure folder giving full information on all WorkRite models.

By all means, know what WorkRite will do. It would mean so much to you and your family—a new delight, a fresh treat, every day.

Two-Fold Happiness for her New Home

BlueBird is one of those rare gifts that is valued not only for what it does but also for what it permits one to do.

Because it washes with almost unbelievable thoroughness and speed, even a heavy washing can be on the line by nine.

But the happiness it brings does not consist only of doing away with the drudgery of wash day. It adds daily to the joy of living, because the home with a Blue Bird can use its fine fabrics constantly.

For the BlueBird way of washing makes

clothes last many times longer than when they are washed on a rub board.

The leading dealer in your locality sells BlueBird. He will be glad to show you why BlueBird washes so thoroughly that it cleans even heavy blankets in fifteen minutes, and so wearisomely that even a veil can be washed in it without a thread being harmed.

BlueBird can be bought any where by making an initial payment of a few dollars, arranging to pay the rest in convenient monthly sums.
